We're Celebrating Our 75th Anniversary of "Making a Difference"

The Licking County United Way will commemorate its 75th anniversary and we want you to help us celebrate.

Mark your calendars for Saturday, June 14, and join us at the Reese Center on the OSU-Newark Campus from 4:30 - 6:30. We will honor the stars of our community that have helped us make a difference in Licking County the past 75 years.

The event will include a look at the history of United Way, recognize and thank our supporters and will feature a presentation that looks to the future and where we are headed.

Watch for your invitation in the mail and join us on June 14!

Want to Help Plan Our 75th Anniversary Event?

We are looking for volunteers to help with our 75th Anniversary celebration event. While planning is already underway, there are still many opportunities to volunteer.

We are currently looking for volunteers to help with decorations, marketing and invitations.

Anyone interested in volunteering to help with the planning or execution of the event is asked to call Dona Dean at the United Way at (740) 345-6685 or e-mail ddean@lcuw.net.

Do You Have United Way Related Memorabilia or Stories?

We are looking for photographs, memorabilia and past volunteers to showcase as part of the festivities of our 75th Anniversary event.

"We have a long history here in Licking County," said Donna L. Carpenter, executive director of the Licking County United Way. "We are looking for any photos or memorabilia people may have collected over the past 75 years. These items will help us tell our story as we celebrate our anniversary this year and recognize the efforts of our volunteers."

United Way also is asking former volunteers to come forward with their stories about volunteering for the organization. These stories will be used in numerous ways, including highlighting the importance of volunteerism.

"Everything we have accomplished the past 75 years has been because of volunteers. They have helped shape our community by sharing their time and talents," Carpenter said.

The organization is hoping to hear from all former volunteers including board and committee members, office volunteers, Day of Caring participants, Loaned Executives and campaign cabinet members.

Anyone with photographs or memorabilia, please contact the Licking County United Way office by e-mail at info@lcuw.net or call us at (740) 345-6685.

The Search Continues for Our Diamond Donors

As we celebrate our 75th anniversary, we are celebrating the people who have supported us during this time. One of these key groups is our Diamond Donors.

We want you to be a member of United Way's Diamond Donor Circle comprised of individuals or couples in Licking county who have been donating to United Way ...in any city ...for 25 years or more.

We want to recognize you, thank you and make sure you know how much we value your support for our organization.

Please contact the United Way office at (740) 345-6685 or by e-mail at info@lcuw.net and let us know if you've been supporting United Way for 25 years or more.
