The Board of Directors of the Licking County United Way (LCUW), a philanthropic organization serving the growing needs of greater Licking County, announced today that a search committee is in place and will begin receiving applicants for the Executive Director position. "Uniting the community to make a positive impact in the areas of Education, Income, Health and Basic Need Services throughout Licking County is our primary goal." says Board President and Search Committee Chair, Bobbi Noe . United Way has been active in Licking County for over 75 years bringing together people and resources to address key community needs.
